**BOIS BLANC PINES SCHOOL DISTRICT
WELCOME TO THE 2022-2023 SCHOOL YEAR!**

The faculty and staff of Bois Blanc Pines School District welcome you to what promises to be an exciting school year. Our educators strive for excellence in all they do, and we guarantee a solid, well- rounded education for your children.

This handbook is prepared as a guide for students, parents and staff. It is prepared with as much information as possible to help students have a successful education while attending Bois Blanc Pines School. Careful consideration has been given to all areas when compiling this guide. However, it remains only a condensed guide and is ever-changing. We will make every attempt to keep it up to date. This handbook contains important information you should know. Become familiar with it and keep it available for reference. Questions may still arise from time to time about policy or other such guidelines. If they do, we encourage students and parents to contact the teacher or a school board member.

To the extent that the handbook is ambiguous or conflicts with these policies and guidelines, the Bylaws and School Policy guidelines shall control. This handbook is effective immediately and supersedes any prior handbook and other written material on the same subject.

Please check out our website at <https://boisblanc.eupschools.org/> for a link to our Bylaws and Policies.

Michigan law requires that whoever has custody or control of any child between ages 6 and 18 (unless the child has already completed high school graduation requirements) shall assure that the child attends public school during the entire school year. Michigan law requires that the student's attendance be continuous and consecutive for the school year fixed by the school district.

Michigan law includes the following exceptions to the mandatory school attendance requirement:

- 1) The parent/legal guardian of a child who is at least age 16 has provided to school officials a written notice that the child has the permission of the parent/legal guardian to stop attending school.
- 2) The child is attending a state approved nonpublic school, which teaches subjects comparable to those taught in the public schools to children of corresponding age and grade.
- 3) The child is less than 9 years of age and does not reside within 2-1/2 miles by the nearest traveled road of a public school. If transportation is furnished for pupils in the school district of the child's residence, this subdivision does not apply.
- 4) The child is age 12 or 13 and attends confirmation classes conducted for a period of 5 months or less.
- 5) The child is regularly enrolled in a public school while attending religious instruction classes for not more than 2 class hours per week, off public-school property during public school hours, upon written request of the parent/legal guardian.

Student Absences

There are two types of absences: excused and unexcused. Excused absences include illness, observance of a religious holiday, death in the immediate family, family emergency, or other reasons as approved by the teacher or administrator. All other absences are considered unexcused. **The teacher or administrator must approve pre-arranged excused absences.** When a student accumulates ten or more unexcused or excused absences, the school will require documentation from the parent or guardian to show written verification of absences.

Students who have more than 10 absences during the semester, **regardless of the reason**, will be considered **truant** and truancy officers may be informed. At that time, parents will be expected to provide verified documentation explaining the reasons for the absences.

Students reporting more than 30 minutes late for school, will be marked absent for the first half of the school day.

Medication Policy

Medications are prescription, non-prescription and/or homeopathic drugs/remedies. Medications will be given only with a written order from the physician/licensed prescriber **and** written permission from a parent/guardian. A "Medication Administration" form can be picked up from the office and must be completed prior to bringing the medication to the school. Medication, whether or not it is prescription or over the counter, **must be delivered to school by an adult.**

The physician/licensed prescriber's order should include:

- Name of student
- Name of medication
- Specific dosage
- Time(s) medication is to be given
- Date of authorization and termination of administration
- Possible side effects of the medication
- Special instructions pertinent to the child or medication
- Name, address, phone number and signature of physician

New authorization is needed at the beginning of each school year. Any change in medication, dosage or time(s) will require a new authorization from the parent/guardian and new instructions from the physician/licensed prescriber. All medications will be counted together by the parent and staff and recorded in the student medication record when received. No more than a 26-school day supply will be kept at the school.

Students may be authorized to carry their medication with them and self-administer it (Inhalers, Epi-Pens, and Diabetic Supplies) if the following are met:

- Both the parent/guardian and the physician/licensed prescriber have completed the "Medical Authorization form for self-administration" form
- The parent/guardian, physician/licensed prescriber and the building administration have determined that the student is capable and responsible to self-administer his/her medication(s) and have provided instructions for this.
- It is understood that the school staff will not supervise, monitor, or maintain records of self-administered medication.
- Any misuses of medication that violates district policies, such as the selling or giving away of medication, will result in the revocation of self-administration privileges and may result in referral to law enforcement officials.
- Building administration may disallow self-administration if they deem it necessary for the safety of the student population.

All medication will be administered only from containers properly labeled by a pharmacist or other licensed dispenser of medicine (most pharmacists will provide an extra labeled bottle on request). Unused medication will be picked up by the parent/guardian. Empty containers shall be promptly returned to the parent via the student. No medication will remain in the building over the summer. Unused medication not picked up by the parent/guardian or contaminated medication will be disposed of properly.

SMOKE, DRUG AND ALCOHOL-FREE SCHOOLS:

The Bois Blanc Pines School District Board of Education has a policy making all school buildings and properties smoke, drug and alcohol-free. This policy includes all school related activities, such as field trips on and off the island, school picnics, etc.

SCHOOL BOARD POLICY ON SMOKE, DRUG AND ALCOHOL-FREE SCHOOLS:

In accordance with Federal Law, the Board of Education prohibits the use, possession, concealment, or distribution of drugs by students on school grounds, in school or school approved vehicles, or at any school related event. Drugs include smoking items, any alcoholic beverage, anabolic steroid, dangerous controlled substance as defined by State statute, or substance that could be considered a "look-a-like" controlled substance. Compliance with this policy is mandatory for all students. Any student who violates this policy will be subject to disciplinary action, in accordance with due process and as specified in the student handbooks, up to and including expulsion from school. When required by the State, the District will also notify law enforcement officials.

Safety Drill Procedures and Conduct

Safety drills will occur at times established by the school board. Students are required to be silent and shall comply with the directives of school officials during emergency drills. Each year our school shall conduct at least five (5) fire drills, two (2) tornado drills, and three (3) lock-down drills. At least three (3) of the fire drills shall occur in the fall. There may be other drills at the direction of the administration. Drills will not be preceded by a warning to the students. The school has worked with the Michigan State Police Department in establishing an Emergency Operation Plan that takes into consideration most emergency situations that a school could face in a year. Staff are informed of their roles and responsibilities during emergency events.

2. In certain cases, students with a communicable disease may be excluded from school or sent home from school following notification of the parent/guardian.

2. Parents/Guardians are encouraged to pick up their student from school when notified. To treat the infestation, use a medicated shampoo and/or contact your physician.
3. A student excluded because of head lice will be permitted to return to school only when the parent/guardian brings the student to school to be checked by the school nurse or building principal and the child is determined to be free of the head lice and eggs (nits). Infested children are prohibited from riding the bus to school to be checked for head lice.

Policy/Legal Backing: NEOLA 8450A Head Lice Policy

Emergency Medical Authorization

The student's parent/guardian should complete the school district's emergency medical treatment authorization form to indicate their preference of hospital, doctor, and dentist for emergency treatment. Of course, in an emergency situation the child should be transported to the nearest medical facility able to render appropriate care, regardless of parental preference. Typically, this decision is made by an EMT (emergency medical technician) or another first responder. Parents are asked to please keep emergency medical forms up to date.

Policy/Legal Backing: NEOLA 5341 Emergency Medical Authorization

Due Process Rights

Before a student may be suspended or expelled from school, there are specific procedures that must be followed:

Suspension from School: When a student is being considered for a suspension of ten (10) days or less, the administrator in charge will notify the student of the charges. The student will then be given an opportunity to explain his/her side and the administrator will then provide the student the evidence supporting the charges. After that informal hearing, the principal will make a decision whether or not to suspend. If a student is suspended, he/she and his/her parents will be notified, in writing within one (1) day of the reason for and the length of the suspension.

When a student is suspended, he/she may make-up work missed while on suspension. Any learning that cannot be made up such as labs, field trips, skill-practices, or any learning that the student chooses not to make-up may be reflected in the grades earned. A student being considered for suspension of more than ten (10) days will be given due process as described in the expulsion section below.

Long-Term Suspension or Expulsion from School: When a student is being considered for long-term suspension of more than ten (10) days or expulsion, the student will receive a formal letter of notification addressed to the parents which will contain:

- The charge and related evidence.
- The time and place of the Board meeting.
- The length of the recommended suspension or expulsion.
- A brief description of the hearing procedure.
- A statement that the student may bring parents, guardians, and counsel.
- A statement that the student may give testimony, present evidence, and provide a defense.
- A statement that the student may request attendance of school personnel who were party to the action or accused the student of the infraction.

Students being considered for long-term suspension or expulsion may or may not be immediately removed from school. A formal hearing is scheduled during which the student may be represented by his/her parents, legal counsel, and/or by a person of his/her choice.

After notification of long-term suspension or expulsion, the long-term suspension or expulsion may be appealed, in writing, to the Superintendent. The appeal will also be formal in nature with sworn testimony before official(s) designated by the Board of Education. The appeal will be heard in an open session unless the student or the student's parent or guardian requests a closed session. Again, the right to representation is available. The opportunity to earn grades or credit ends when a student is expelled.

Discipline of Students with Disabilities: Students with disabilities are entitled to the rights and procedures afforded by the Individuals with Disabilities Education Act (I.D.E.A.) and the Americans with Disabilities Act (A.D.A.).

Bullying, Intimidation, Harassment and Threatening

Bullying, intimidation, harassment and threatening are not acceptable in any form and will not be tolerated at school or any school-related activity. The school will protect students and staff against retaliation for reporting incidents of bullying, intimidation, harassment or threatening, and will take disciplinary action against any student or legal action against adults who participates in such conduct.

No person shall harass, intimidate bully or threat another based upon race, color, national origin, sex, sexual orientation, disability, age, or religion. The school and district will not tolerate harassing, intimidating conduct, bullying or threatening whether verbal, physical, or visual, that affects the tangible benefits of education, that unreasonably interferes with a student's educational performance, or that creates an intimidating, hostile, or offensive educational environment.

Examples of prohibited conduct include name-calling, using derogatory slurs, causing psychological harm, threatening or causing physical harm, or wearing or possessing items depicting or implying hatred or prejudice of one of the characteristics stated above. Examples of sexual harassment include touching, crude jokes or pictures, discussions of sexual experiences, teasing related to sexual characteristics, and spreading rumors related to a person's alleged sexual activities.

Students who believe they are victims of bullying, intimidation harassment and threatening or have witnessed such activities are encouraged to discuss the matter with the student nondiscrimination coordinator, building administrator or a complaint

manager. Students may choose to report to a person of the student's same sex. Complaints will be kept confidential to the extent possible given the need to investigate. Students who make good faith complaints will not be disciplined.

Any student who is determined, after an investigation, to have engaged in bullying, intimidation, harassment or threatening will be subject to disciplinary consequences as provided in this handbook, including but not limited to, suspension and expulsion consistent with the school and district's discipline policy. Code of Conduct for Students

Students are expected to conduct themselves in a reasonable, orderly manner at all times. It will be also expected that they will display the highest level of respect for all members of the school community. The commission of, or participation in, activities that are among those defined as criminal under the laws of the State of Michigan is prohibited. This includes activities in school buildings, on school property, or at school sponsored events. Disciplinary action may be taken by the school regardless of whether or not criminal charges result.

To establish the best possible learning atmosphere for the student, as well as to provide for the health, safety and welfare of all students and employees of the Bois Blanc School District, the Board of Education has adopted regulations along with guidelines for consequences when regulations are violated. Respect for real and personal property; pride in one's work; achievement within the range of one's ability; and exemplary personal standards of courtesy, decency, and honesty should be maintained in this District.

Field Trips

Field trips are a worthwhile part of a student's education and are designed to be entertaining and educational. Students and parents are expected to exhibit proper and acceptable behavior during each field trip. If improper behavior is exhibited, those students and parents may lose the privilege of being included in the next field trip. Due to the spontaneity of the island, it may occasionally be necessary to get verbal, text or email approval for off the school property visits. For clarification, a walk is not considered a field trip. No student may participate in any school-sponsored trip without parental consent. Attendance rules apply to all field trips.

We have limited space for field trip chaperones. Chaperones may not bring younger siblings or friends on field trips. As a chaperone, your help is needed in supervising students. The use of tobacco products, alcohol, or display of physical affection at any time during a field trip – even out-of-sight of students is prohibited. Your cooperation is greatly appreciated.

Dress Code

Clothing worn by students shall be neat, clean, and in good repair for the personal health and safety of the student. Students are expected to come to school dressed for outdoor recess during the day. We ask parents to pay close attention to how their child is dressed, particularly during the winter months (boots, gloves, hats, etc.). Slippers must always be worn in the classroom (unless directed by the classroom teacher). Open toed shoes, including flip flops, are not recommended at school for health and safety reasons. Gym shoes are required for Physical Education class. Immodest clothing of such types that distracts from the school's mission shall not be worn. Clothing bearing printing, slogans, mottos, and advertisements that violate the school's mission shall not be worn. The teacher will determine if the dress code is not being followed.

Student Fees and Charges

There is no fee for textbooks, workbooks or other supplies provided by the school. All parents should understand that their students are responsible for the care and safekeeping of all school materials provided for their use. If any school property is lost, stolen or seriously damaged (pages ripped, pages missing, permanent marks, ruined), the student may be charged the full replacement price.

- a. For each re-publication (on a Web site or file server) of a graphic or a text file that was produced externally, there must be a notice at the bottom of the page crediting the original producer and noting how and when permission was granted. If possible, the notice should also include the Web address of the original source.
- b. Students engaged in producing Web pages must provide library media specialists with e-mail or hard copy permissions before the Web pages are published. Printed evidence of the status of "public domain" documents must be provided.
- c. The absence of a copyright notice may not be interpreted as permission to copy the materials. Only the copyright owner may provide the permission. The manager of the Web site displaying the material may not be considered a source of permission.
- d. The "fair use" rules governing student reports in classrooms are less stringent and permit limited use of graphics and text.
- e. Student work may only be published if there is written permission from both the parent/guardian and student.

- c. Electronic messages transmitted via the school district's Internet gateway carry with them an identification of the user's Internet "domain." This domain name is a registered domain name and identifies the author as being with the school district. Great care should be taken, therefore, in the composition of such messages and how such messages might reflect on the name and reputation of the school and district. Users will be held personally responsible for the content of any and all e-mail messages transmitted to external recipients.
- d. Any message received from an unknown sender via the Internet should either be immediately deleted or forwarded to the system administrator. TITLE IX: DISCRIMINATION AND SEXUAL HARASSMENT

Pursuant to Title IX of the Education Amendments of 1972, "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving of federal financial assistance." Using the guideline of Title IX, Bois Blanc School District Board of Education is committed to providing students with a learning environment free from sexual harassment or gender discriminatory behavior.

It shall be a violation of policy for any student, teacher, administrator, school personnel, agents, volunteers, or third parties subject to the supervision and control of the school board to harass or discriminate against a student based upon sex. Acts of sexual harassment or inappropriate employee-student relations or student-peer relations are prohibited at all times during the school day including while on school-sponsored transportation, during observation or participation in after-school activities, and during school-related functions such as sporting events, social activities or field trips.

Sexual Harassment Defined:

Sexual harassment is any unwelcome conduct of a sexual nature that is sufficiently severe, persistent, or pervasive as to create an intimidating, hostile or abusive educational environment; or substantially or unreasonably interferes with an individual's education; or limit an individual's ability to participate in or benefit from the education program. Such conduct includes but is not limited to:

...verbal harassment or abuse; pressure for sexual activity; sexually motivated or inappropriate hugging, kissing, patting, massaging or pinching; sexual behavior or words, including demands for sexual favors; implied or overt threats accompanied with demand for sexual favors; remarks of a sexual nature about a person's clothing or body; fondling or grabbing; spreading sexual gossip; subjecting someone to sexual materials; and sexual assault or rape.

Gender Discrimination Defined:

Gender discrimination occurs when different treatment or consideration takes place due to the sex or gender of the individual rather than individual merit. The behavior complained of must be directed toward a specific gender and free from any reasonable justification. Under the regulation of Title IX, the Bois Blanc School District Board of Education prohibits gender discrimination in areas including but not limited to educational assistance, i.e., tutoring, after-school learning; counseling services; receiving college preparation materials; receiving preparatory materials for school testing; physical education and athletics; student rules and policies; and extracurricular activities.

The Bois Blanc School District Board of Education is committed to providing a positive learning environment and will enforce that all individuals, regardless of gender, receive equitable treatment and benefits. Any student who believes he or she has been the victim of harassment or discriminatory behavior must immediately report such behavior to the Title IX Coordinator. The Title IX Coordinator will then notify the school principal of the alleged acts.

Reporting and Investigating of Harassment or Discriminatory Behavior

A. Reporting

Any student who believes he/she has been the victim of harassment or discriminatory behavior by another student, teacher, administrator, school personnel, agent, volunteer or third party is to immediately report the alleged conduct. A student need not fill out a formal complaint when reporting alleged harassment or discriminatory behavior. The reporting of harassment or discriminatory acts can be informal or made orally to the Title IX Coordinator or another designated authority. Generally, a report should be made within 45 days of the conduct or act giving rise to the complaint.

B. Investigation

The Bois Blanc School District Board of Education will act to investigate all complaints, formal or informal, verbal or written of sexual harassment or other discriminatory acts and will discipline or take appropriate action against any student, teacher, administrator, school personnel, agent, volunteer, or a third party who is found to have violated this policy. The Bois Blanc School District Board of Education will respect the privacy of the complainant, the individual(s) against whom the complaint is filed, and the witnesses as much as possible, consistent with the Bois Blanc School District Board of Education's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. Before the commencement of any investigation, the parent(s) or guardian(s) of each student involved in the allegations, including witnesses, will be contacted.

The investigation may include, but is not limited to reviewing documentation, conducting phone conferences, on-site observations, or personal interviews with the complainant, the individual(s) against whom the complaint is filed, individuals who may have knowledge of the alleged incident(s) or circumstances giving rise to the complaint. Parents or guardians may only be present for interviews involving their child.

In determining whether alleged conduct constitutes a violation of this policy, the Bois Blanc School District Board of Education should consider the surrounding circumstances, the nature of the behavior, past incidents or past or continuing patterns of behavior, the relationships between the parties involved and the context in which the alleged incidents occurred. Whether a particular action or incident constitutes a violation of this policy requires a determination based on all the facts and surrounding circumstances. A preponderance of evidence standard of proof will be applied to all situations involving complaints and grievances alleging harassment and discriminatory acts.

The investigation by the Bois Blanc School District Board of Education will be completed within 10 school days. If the investigation should take longer than the allotted 10 days, all parties involved will receive written notice of the estimated date for the investigation to be completed. At all times during the investigation, the Bois Blanc School District Board of Education designee will keep all matters confidential when applicable. At the conclusion of the investigation, the Bois Blanc School District Board of Education designee will provide a written report to the Superintendent. The report shall include a determination of whether the allegations have been corroborated and found to be factual. Generally, the report will be submitted to the Superintendent within a period of 15 days.

If at any time during the investigation the complaint is deemed to include false reports provided by a student or any school employee, the individual will be subjected to disciplinary action that includes, but is not limited to suspension, expulsion, or termination of employment.

All students subjected to sexual harassment or discriminatory behavior will be provided all available support services from counselors, school psychologists, and school social workers to receive adequate emotional and physical support. No reprisals will be taken against any complainant on account of any complaint made in good faith and subsequently decided as a result of an investigation.

A. Informal Grievance

Alleged Acts not involving the principal or member of Bois Blanc School District Board of Education.

The student may elect to have an informal grievance when the nature of the grievance concerns the behavior of any peer or school employee (other than the principal or member of the Bois Blanc School District Board of Education). It is not required that a student have an informal grievance.

Step One: Within five days following the event or condition that is the basis for the grievance, the complainant may request a meeting with the student or employee with whom they disagree, members of the grievance committee, and the Title IX Coordinator (the principal may or may not be present during this first meeting of the informal grievance process).

Step Two: Within five days following the conference request, the student or employee may elect to confer with the complainant under the supervision of the Title IX Coordinator and attempt to resolve the grievance through an oral response.

Step Three: If the complainant is not satisfied with the student or employee's oral response, the informal grievance will advance to the principal in the event that the original grievance did not involve the principal. The principal will take the notes provided by the Title IX Coordinator and schedule another meeting in an attempt to resolve the conflict between the complainant and the student or the employee. At the conclusion of the meeting, the principal shall then consider the informal grievance and provide an oral or written response to the complainant within five days.

Step Four: In the event that the complainant is still not satisfied with the outcome of the grievance, he/she must file a formal grievance within five days of the oral or written response of the principal or the grievance will be deemed abandoned.

Alleged Acts Involving the principal or member of the Bois Blanc School District Board of Education.

If the nature of grievance involves the misconduct of the principal or any board member of the Bois Blanc School District Board of Education, the complainant must first contact the Title IX Coordinator.

Step One: The complainant has five days to request an appointment with the Title IX Coordinator following the event or condition.

Step Two: Serving as mediator, the Title IX Coordinator will then schedule an appointment with the complainant, the principal or board member designee. Before the conclusion of the meeting, the principal or the board designee must

attempt to resolve the grievance verbally. If the complainant is not satisfied with the verbal response, he/she must file a formal grievance within five days of the verbal response, or the grievance is deemed abandoned.

Formal Grievance: A student may elect to first participate in the formal grievance procedure.

Step One: Under the formal grievance, generally, the complainant should submit his/her complaint in writing within 45 days. The Formal Grievance form (copy of the form is located in the administrative office of each school) may be used but is not required. The student should address the form to the principal or his/her designee, who will then present a copy of the form to the person who is the nature of the grievance. The complainant must provide the following information in order to be considered complete:

- 1) name of the person against whom the grievance is against.
- 2) the specific nature of the grievance.
- 3) date, time, and place of the event or condition that caused the grievance.
- 4) witnesses present during the alleged act(s).
- 5) the name and title of the third-party representative (if applicable) of the complainant.
- 6) the action requested to resolve the grievance.
- 7) the signature of the complainant.

Step Two: The principal may schedule a meeting with the complainant and the person who is the subject matter of the grievance. The person(s) who the grievance is against shall respond to the complainant in writing within five days of the meeting and present it to the principal. The principal will make a copy of the response and submit it to the complainant.

Step Three: In the event that the complainant is not satisfied with the response, the principal will begin an investigation and will schedule another meeting with the complainant where the principal will explain the nature of the investigation and provide an approximate timeline for the investigation. At the conclusion of the investigation, the principal may schedule a meeting with the complainant, the person whom the grievance is against, and a Board designee. The Board designee will serve as mediator and attempt to resolve the conflict. Within five days of the meeting, the Board designee will provide the complainant with a written response outlining his/her decision about the complainant's grievance.

Student Appeals Process

If the complainant is still not satisfied with the result of the formal grievance process, he/she may appeal the decision with 30 days of receipt.

Step One: The complainant must direct all notifications of appeal to the attention of the Formal Grievance Form. Within 10 days of receiving the Formal Grievance Form, the Superintendent will then review any documentation leading to this event and present his/her response in writing to the complainant.

Step Two: If the complainant is not satisfied with the response of the Superintendent, he/she has five days to submit a written request to the members of the Bois Blanc School District Board of Education to schedule a grievance hearing. The Bois Blanc School District Board of Education will provide the complainant with a least two days' notice of the grievance hearing. The complainant, parents/guardians third party representative (if applicable), and the person whom the grievance is against are asked to be present at the hearing.

Step Three: The complainant or any party representing the complainant, as well as the opposing party, will be allowed to present a five-minute opening statement. Each side will then have no more than 30 minutes to present their position. Following the presentation of positions, each side will have no more than five minutes to present a closing statement. During any part of the presentation, each party may present the Bois Blanc School District Board of Education with any copies of documentation to aid the Board in its review. It is required that each board member receive at least three copies of all materials presented.

Step Four: Upon the conclusion of the presentations, Bois Blanc School District Board of Education will convene privately to make a decision and verbally present the decision to the parties. Each party will also receive a written response from the Bois Blanc School District Board of Education within five days of the grievance hearing.

This completes the Bois Blanc School District Board of Education's formal grievance process.

Child Find Notice

According to state and federal special education regulations, annual public notice to parents of children who reside within a school district, PSA or Charter School is required regarding child find responsibilities. School districts, intermediate units and charter schools are required to conduct child find activities for children ages 3-26 who may be eligible for special education programs and services. If parents believe that the child may be eligible for special education, the parent should contact the school district where the child attends. Private School- The school district within whose boundaries the non-profit private school is located is responsible for child find activities. The school district responsible for child find activities for students placed by their parents in a for-profit private school is the district of residence.

Bois Blanc School District Child Find Policy requires that all children below twenty-six years of age residing within the district who have a disability and who are in need of special education and related services are located, identified, and evaluated in accordance with all federal regulations and state standards. If you suspect that your child may have a disability, please contact:

Consent

Schools cannot proceed with an evaluation or reevaluation, or with the initial provision of special education and related services, without the written consent of the parents. The school district, Charter, PSA or nonpublic will ask for parents written consent to evaluate a child. A procedural safeguards document will be provided to the parent upon the district receiving parental consent to evaluate a child for a suspected disability.

For students transferring from in state or out of state- the school will review enrollment data and educational performance in the prior district. If the student is already special education eligible, the district will implement the current IEP or hold a new IEP within 30 school days of enrollment. IF the student has had a history of poor performance in school, the student will be processed through the SAT process for consideration of a need for support and ultimately an evaluation for special education eligibility.

Evaluation Process

When parental consent is obtained, the district has 30 school days in which to conduct the evaluation(s) and hold an Individualized Education Planning (IEP) meeting.

Documentation of Child Find activities- required to maintain documentation of identification procedures, dates of entry into school, or notification by parents of concerns regarding developmental or education progress by their child, and dates of screening in the student's permanent records.

If you have any questions about this, please contact Jodi Beatty at 906-440-8013.

School teachers, counselors, social workers, and administrators are required by law to immediately report any and all suspected cases of child abuse or neglect to the Michigan Family Independence Agency.

Parent Involvement in the School

The Board of Education believes that durable and significant learning by a student is more likely to occur when there is an effective partnership between the school and the student’s parents/guardians. Such a partnership means a mutual belief in and commitment to significant educational goals for a student, a plan for the means to accomplish those goals, cooperation in developing and implementing solutions to problems that may be encountered, and continuing communication regarding the process in accomplishing the goal(s). Parents should be meaningfully involved in:

- A. Developing and implementing appropriate strategies for helping their child achieve the learning objectives that lead to accomplishing desired learning outcomes.
- B. Providing a mutually supportive school and home environment which encourages learning.
- C. Establishing meaningful learning outcomes which support the development of responsible members of society.

Students may distribute or display, at appropriate times, non-sponsored, noncommercial written material and petitions; buttons, badges, or other insignia; clothing, insignia, and banners; and audio and video materials. All items must meet the following school guidelines:

- A. A material cannot be displayed if it:
 - 1. Is obscene to minors, libelous, indecent and pervasively or vulgar
 - 2. Advertises any product or service not permitted to minors by law
 - 3. Intends to be insulting or harassing
 - 4. Intends to incite fighting or presents a likelihood of disrupting school or a school event
