

**BOIS BLANC PINES SCHOOL DISTRICT
STRATEGIC PLANNING/COMMUNICATION WORKSHOP
SEPTEMBER 23, 2020**

Members of the School Board, Cindy Riker and Suzette Cooley-Sanborn met with Lindsay Brindley from the EUPISD via Zoom on this date at 4 p.m. to start working on our Communication Plan. Others attending were Angie McArthur and Dean Paul.

Discussion about what template we preferred to use for our communication plan. After choosing one, we started to “fill in the blanks”. We identified one-way communication and two-way communication. We need to have complete the document and implement.

The Workshop concluded at approximately 5:05 p.m., as Angie and Dean had to drop off. And Lindsay encountered some technical issues with her laptop. We need to schedule another meeting to continue this process ensuring the teacher can also join. Cindy will follow up with the team to determine date and time.

No public on the call. Therefore, no public comment.

Respectfully submitted,

Cindy Riker, Acting Secretary
Bois Blanc Pines School Board
